

## **Abstract Acrylic Painting and Collage Workshop**

*Creative tearing and paint splashing starts off this all new "Loosen Up Workshop." Also you will learn how to begin a new fresh body of work with your own artistic voice and point of view. Think "artist retreat," producing a body of work, a series of paintings or your conceptual solo show.*

*Robert Burridge, along with his famous daily handouts, demos and lectures, helps and guides you to paint the way you have always wanted to paint. Daily you can expect warmup paint sketching, brief painting and lecture demos, constructive critiques and plenty of time to work on personal projects. Come prepared to paint your stuff!*

2) A few deep mixing trays or tubs, like microwave food trays, disposable containers, etc.

CP watercolor paper, pre-gessoed (thin layer of acrylic gesso - brush or trowel on one side only, let dry) Bring flat--- do not roll up. I recommend Fabriano Artistico 300 lb CP. 8) Your own collection of paper scraps, old letters, music sheets, photos (Xerox prints from a copier), fabric and any other weird stuff you need.
