

Robert Burridge Workshop

Start Abstract Painting Today!

Always wanted to do abstract painting, but don't know where to begin? Experience the hands-on demos, techniques and basic formulas, compositions and color techniques to create more meaningful abstracts. This intense, concentrated workshop emphasizes intuitive painting where you will create many works of art for the 21st Century.

Be prepared to paint looser, bolder, freer, lighter and more intuitively. Plenty of time for action-filled painting exercises and personalized attention. This is an acrylic workshop - with a bit of mixed media/collage added for visual impact. Students will take home preprinted notes of useful and need-to-know information on abstract painting. Burridge's newest color wheel technique is also demonstrated. This workshop is a serious approach for those who have a great sense of humor and a positive attitude.

Suggested Materials List - This is only a suggested materials list. Do not feel obligated to purchase everything on this list. Bring what you think you will need and use.

1) Paints: Any professional-grade acrylic paint (no cheap, student grade paints). Your choice of colors.

Burridge will be painting with Holbein Artist Acrylic paint - colors to match his Goof-Proof Color Wheel, plus black and white.
