

# Paint with Bob Burridge

## Northern Wisconsin in 2010

## Abaco, Bahamas in 2011

August 22-28, 2010

**CONTEMPORARY ARTIST  
RETREAT IN ACRYLIC COLLAGÉ**

**\$590 Workshop Fee  
\$366 Six Nights Accommodations  
and One Dinner Fee**

This Painters' Retreat pushes you out of your safe zone and into looser, more abstract direction. Reacquaint yourself with loose painting and drawing the undraped model. Each day with wet paint sketches plus Bob's popular warm-up exercises - fingerpainting - you will be producing a fresh new body of work with your own artistic voice and point of view. During the class you'll experience creative paper tearing, paint splashing, and small paper collaging - making new work and also utilizing the figurative paint sketches. Plenty of lecture and demo notes, and constructive critiques.

**On Friday Bob and Kate together will  
teach one day of Art Marketing.  
Friday-only, registration is \$150.**

**LOOSEN UP WITH AQUAMEDIA PAINTING IN THE ABACOS**

This workshop will emphasize loose, expressive techniques, not necessarily photo realism techniques; of course, your style is up to you and Bob will help you with it. It is a worry-free, day-by-day activities account and exotic history of where we will be painting. Bob is planning to focus on painting a series, based on specific color themes. We will not try to capture everything we see, knowing we'll be overwhelmed by the awesomeness of this trip! Your painting goals are also important.

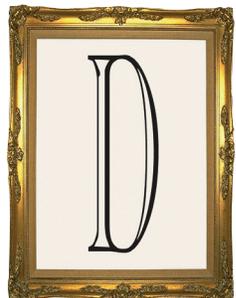

Hope Town Harbour Lodge will provide the island accommodations and meals. In addition to painting on the beach, an indoor painting location in the lodge's lovely lounge and/or poolside will be reserved for you. One day we will travel by water taxi to another island to paint and enjoy island cuisine mid day. There will be plenty of time to paint on your own and explore the English heritage of the cay or nearby cays with friends and family. Bob will paint in acrylic and you may choose your painting medium. Class will be held Sun, Mon, Tues, Thurs, and Fri. Bob, and his wife Kate, will offer a beach-side Friday class: "Marketing for the Artist Who Knows Everything." Elbow Cay, and surrounding areas, are filled with activities for those not participating in the art classes. We can help with ideas, suggestions and arrangements.

Package Includes:

- 7 nights' accommodations, double occupancy, at Atlantic Ocean's Hope Town Harbour Lodge rooms. (If space is available, upgrades may be made for the Poolside and Oceanfront Cabanas, Butterfly House, or Ocean Front Cottage, [www.hopetownlodge.com](http://www.hopetownlodge.com))
- 7 breakfasts, Welcome and Farewell dinners with drinks
- 5 days of painting, plus additional time & locations for painting on your own
- Water taxi to an out island for painting and lunch
- Round trip transfers, tips and tax from Marsh Harbour airport to Lodge

Hope Town Harbour Lodge has three wonderful dining options on property and the island has several nice restaurants nearby for lunches and dinners that are not included in the package. Reservations and payment must be made by Sept 1, 2010.
