

Robert Burridge Studio Workshop

Contemporary Abstract Figure Painting - 4 days in Bob's Studio

This 4 day Studio Workshop pushes you out of your safe zone and into a brand new looser, abstract direction. We will focus on loose painting and drawing the undraped model. Each day starts with quick charcoal sketches, finishing up with wet paint sketches plus Burridge's popular warm-up exercises of darks and lights. Creative tearing and paint splashing, starting each day with small paper collaging - Making new work and utilizing the figurative paint sketches. Plenty of lecture and demo notes, constructive critiques and personal painting time. Come prepared to paint your own stuff! Handouts provided.

3) For cleaning brushes: Murphys Oil Soap, "Original Formula." (grocery & hardware stores)

CP watercolor paper, pre-gessoed (thin layer of acrylic gesso - brush or trowel on one side only, let dry) Brushmark texture is okay; do not sand smooth. Bring flat - do not roll up. 8) Glue for Collage Work: Polymer Gel Medium - gloss.
